

SANDS OF MENECHTARUN / ZAWABI'S REVENGE

Zawabi's Revenge, often called DQ for Demon Queen, was the first epic raid. The desert

TO ZAWABI'S REFUGE!

Go to the MP's airship spire in the North and talk to the toaster named Kupper at the bottom of the stairs. He'll teleport you to Zawabi's Refuge. Wander around and collect all the quests.

QUESTS CHECKLIST

Quests can be completed in any order.

- An Offering of Blood** (a.k.a. oob)
- Chains of Flame**
- The Chamber of Raiyum** Great XP farming. Run multiple times if possible. Lots of traps.

SERIOUSLY, THAT'S IT!

Flagging really isn't that hard. You got 3 items from the above quests. Talk to the djinni named Zawabi at his overlook and give him each of the items. He'll tell you to confront Lailat.

THE DEMON QUEEN

You're always going to have to preraid before the raid. It's annoying, but the good thing is you'll be able to find ppl that know the preraid real well. Go to The Court of Lailat in The Sands and run it on casual. No need to break your back.

ZAWABI'S REVENGE

Against the Demon Queen (ADQ) is a 2-part quest that ends in a raid called Zawabi's Revenge. After doing the preraid, double recall to Zawabi's Refuge and talk to Zawabi twice. He'll send you to the beginning of the raid.
